Summary of Measures

Summary of Meaningful Use Menu Measures

Objective	Measure	Reason	Entered	Accepted / Rejected
Capability to submit electronic data to immunization registries or immunization information systems and actual submission according to applicable law and practice.	Performed at least one test of certified EHR technology's capacity to submit electronic data to immunization registries and follow up submission if the test is successful (unless none of the immunization registries to which the eligible hospital or CAH submits such information has the capacity to receive the information electronically).	This measure meets minimum standard.	Yes	Accepted
Capability to submit electronic data on reportable (as required by State or local law) lab results to public health agencies and actual submission in accordance with applicable law and practice.	Performed at least one test of certified EHR technology capacity to provide electronic submission of reportable lab results to public health agencies and follow-up submission if the test is successful (unless none of the public health agencies to which eligible hospital or CAH submits such information have the capacity to receive the information electronically).	This measure meets minimum standard.	Yes	Accepted
Capability to submit electronic syndromic surveillance data to public health agencies and actual submission in accordance with applicable law and practice.	Performed at least one test of certified EHR technology's capacity to provide electronic syndromic surveillance data to public health agencies and follow-up submission if the test is successful (unless none of the public health agencies to which an eligible hospital or CAH submits such information have the capacity to receive the information electronically).	This measure meets minimum standard.	Yes	Accepted
Implemented drug-formulary checks.	The eligible hospital or CAH has enabled this functionality and has access to at least one internal or external drug formulary for the entire EHR reporting period.	This measure meets minimum standard.	Yes	Accepted
Generate lists of patients by specific conditions to use for quality improvements, reduction of disparities, or outreach.	Generate at least one report listing patients of the eligible hospital or CAH with a specific condition.	This measure meets minimum standard.	Yes	Accepted
